Ysgol Gynradd Groes-Wen Primary School -
Calendr (ysgolgroeswen.cardiff.sch.uk)

Attendance:

At the end of September, our attendance rate is 95.1%, which is NOT GOOD ENOUGH! It is essential that you understand the importance of your children's attendance at school and the impact that taking holidays during term time can have.

Harvest Service

The pupils will learn songs of thanksgiving to show appreciation for the produce available to them. However, not every family is as fortunate, so the school will once again be collecting donations for the food bank this year.
Thank you!

COMPLAINT

We have received a complaint from residents of **Cwrt Sant Ioan** regarding parents from the school parking in residents' designated spaces, including their driveways and car ports. In addition, they have evidence of children playing around vehicles parked in these areas. It is important that we show respect to our neighbours, so please ensure that children are supervised and do not play close to parked cars, and please do not park in spaces allocated to local residents.
Thank you.

Addysg Cwtch

Parent and carer session

The school is working closely with the Addysg Cwtch project, a national programme funded by the Welsh Government to support schools with delivering Relationships and Sexuality Education (RSE). As part of this work, Addysg Cwtch advisors will be facilitating an information session for parents.

During the session, we will:

- Explain what RSE is and how it looks in school.
- Discuss how RSE is part of safeguarding and is based on children's rights.
- Address and clarify some of the common misconceptions circulating online.
- Share ways parents can support sensitive conversations at home in an age appropriate way.
