Article 37: Your right to be treated fairly

## GAIR GAN MR CARBIS

### Cylch Meithrin and School:

Mrs Rhisiart amongst others have been challenged why our staff can't cover the Cylch absences. For one we have our own pupil/adult ratio to follow and secondly, the qualification required to work in a Cylch Meithrin is very specific and not one that many school staff have. Finally, they are two separate establishments that happen to share the same site. Please also be understanding that staff illness is beyond our control as a School or the control of the Cylch Meithrin. Many thanks for your understanding.

### Dathlu Doniau / Celebrating Talent

Your pupils have been busy using their skills that they have learnt during the term to design special items. These will be available from the small Hall at the top of the main stairs during the Christmas Fayre.

### Health and Safety Messages

As winter is approaching and the odd cold snap appears could we please request that you wrap your children up warmly with hats, scarves, gloves and of course a coat.

I am again becoming increasingly concerned at the manner in which parents are parking on corners of roads, walking along the middle of the road and using the vehicle gates as a walking entry to the school. Please park, drive and walk safely! We are a school that support active travel!

**The Groes-wen Winter Wonderland has arrived! We look forward to officially starting the festivities this evening! A massive thank you to all that took part in the Christmas Wreath making, it was a very successful event.**
