Meithirn**

Trosolwg Tymor yr Haf
Summer Term Overview

Dosbarth Lili Wen Fach, Meithrin
Lili Wen Fach Class, Nursery

Froebel- Papur a Gwnïo
Froebel - Paper and Sewing

Newidiadau tymhorol
Seasonal changes

Astudio lan y môr
Studying the seashore

Arbrofi gyda deunyddiau i archwilio cysyniadau fel suddo ac arnofio, sych a gwlyb, garw a llyfn, ac archwilio sut mae papur yn newid pan rydyn ni'n ei rwygo, ei blygu, ei drin a gwneud papur newydd o hen bapur.

Experimenting with materials to explore concepts such as sinking and floating, dry and wet, rough and smooth, and exploring how paper changes when we tear it, fold it, treat it and make new paper from old.

Cynnig profiadau sy'n ennyn diddordeb
Providing experiences that spark interest

Cyfle i gynrychioli drwy symbolau
Opportunities to represent through symbols

Datblygu cyfathrebu
Developing communication

Datblygiad gwybyddol drwy gynnig cyfleoedd i ddidoli a chymharu gwahanol fathau o bapur a deunyddiau a ddefnyddir ar gyfer gwnïo

Cognitive development through providing opportunities to sort and compare different types of paper and materials used for sewing.

Chwarae a dysgu yn y dosbarth a thu allan
Playing and learning inside and outside the classroom

Amser stori / Storytime

Cyswllt Cartref / Home link

Rhifedd / Numeracy

Llythrennedd / Literacy

Amser Antur/ Adventure

Rydym yn mwynhau straeon dyddiol yn y dosbarth i feithrin cariad at ddarllen. Mae darllen gyda'ch plentyn gartref yn hynod bwysig i'w datblygiad.

Rydym yn rhannu ein gweithgareddau drilio wythnosol gyda theuluoedd ar Seesaw pan fydd yn briodol. Bydd hyn yn helpu i atgyfnerthu'r hyn rydym yn dysgu yn y dosbarth ac yn cefnogi cynnydd eich plentyn gartref.

Rydym yn archwilio rhifau yn ddyddiol drwy chwarae a phrofiadau bywyd go iawn. Mae'r plant yn mwynhau rhigymau a chaneuon rhif, ac yn cymryd rhan mewn gweithgareddau fel didoli, paru a chymharu. Rydym hefyd yn defnyddio chwarae awyr agored i wneud mathemateg yn hwyl ac yn ystyrion. Mae'r profiadau hyn yn helpu i adeiladu hyder a sylfaen gadarn ar gyfer dysgu yn y dyfodol.

Mae ffoneg yn ymwneud â gwranddo ar synau a chwarae gyda geiriau. Mae plant yn dysgu clywed synau gwahanol o'u hamgylch, mwynhau rhigymau a chaneuon, ac yn dechrau sylwi ar y synau cyntaf mewn geiriau. Rydym yn gwneud hyn drwy gemau hwyliog, straeon a chanu.

Rydym yn mynd allan ym mhob tywydd, felly mae'n bwysig bod gan blant gotiau addas. Mae croeso iddynt wisgo esgidiau glaw i'r ysgol ar ddiwrnodau glawog.

We enjoy daily stories in class to foster a love of reading. Reading with your child at home is extremely important for their development.

I will share our weekly phonics and number drilling activities with families on Seesaw when appropriate. These will help reinforce what we are learning in class and support your child's progress at home

We explore numbers daily through play and real-life experiences. Children count during routines, enjoy number songs and rhymes, and take part in activities like sorting, matching, and comparing. We also use outdoor play to make maths fun and meaningful. These experiences help build confidence and a strong foundation for future learning.

Phonics is all about listening to sounds and playing with words. Children learn to hear different sounds around them, enjoy rhymes and songs, and start noticing the first sounds in words. We do this through fun games, stories, and singing.

We will be going outside in all kinds of weather, so it's important that children have suitable coats. They are welcome to wear wellies to school on rainy days.
